

CH12MS Flameless Heater

The CH12MS industrial heater uses a patented heat generating technology. The CH12MS has a low, medium and high temperature setting allowing you to use the heater for a wide range of applications.

Features

- 700,000 BTU equivalent
- 150° F temperature rise
- Three temperature settings – low, medium and high
- Up to 4200 CFM
- Features a light tower rated 5400 Lumens – 60 Watts
- Equipped with an inverter for external power requirements
- 14" above WC static pressure
- 110% secondary containment
- CSA Field certified
- Self-contained unit with no external power source required
- Clean, breathable air
- Compact, portable design

A CH12MS heater thawing critical equipment on an oilfield

Applications

- Drill deck, pump station and water line heating
- Snubbing stack heating
- Heating wellheads and BOPs
- Equipment thawing and deicing

Oil and Gas

- Concrete curing
- Ground thaw
- Aggregate Heating
- Worker Comfort Heating
- Hoardings heating
- Temporary site heating

Construction

- Tank coating and curing
- Surface Preparation
- Moisture and humidity control
- Dehumidification
- Deicing
- Auxiliary heat

Coatings and Painting

A CH12MS heater with a light tower attachment keeping workers warm and the site accident-free

A single CH12MS heater heating a large section of a pipeline in winter conditions

Technical specifications

Performance

BTU rating	700,000
CFM range	1500 - 4200
Static Pressure	14' above WC

Fuel Data

Fuel Capacity	120 gallons
Fuel Type	ULSD diesel
Fuel Consumption	2.6-3.5 gph

Service Data

Service Interval	250 hours
Oil Type	15W 40 / 2 gallons

Dimensions

Height	Length	Width	Dry Weight
8'	12'	5'5"	3500 lbs

Additional Features

- GPS tracking for location and runtime
- Strobe Operating light
- Low Fuel shutdown
- 360-degree rotation and tilt operation
- Height adjustable light tower
- Minimum runtime of 30 hours between fueling
- Trailer hitch 2 5/16" Ball or Pintle

With our 24x7 service response model, we strive to eliminate downtime and guarantee fastest service turnaround.

The CH12MS heaters are available for SALES and RENTAL
